Rallings,

We will continue to work diligently in an effort to decrease our crime rate even more. Our No. 1 goal is to further our crime fighting initiatives to make Memphis a safety place. Statistically, the number of violent crimes is down, but as long as there is one citizen that falls victim to a crime, there is more work to be done.

Director,

We need to get the media release out by around noon. If we do not hear from you, I will assume you do not want a quote in the release. (If you have one, just email it to us this morning.)
